

ONEDecom

ONLINE BUSINESS NETWORK FOR THE DECOMMISSIONING COMMUNITY

A Decom knowledge portal built to integrate the community, and connect individuals, companies and supply chain. Ensure that knowledge acquired and value delivered within decommissioning is captured in a structured and dynamic environment.

ABOUT US

Our Decommissioning Portal launched in September 2019 with a clear aim of making decommissioning knowledge more accessible online, and to share the essential knowledge and value that has already been delivered within industry.

WHY CHOOSE US

Connect digitally with colleagues and experts, share knowledge, insight and best practice, learn from experiences and inspire innovation and new ways of working. Generate value within the decommissioning sector.

Be visible

Raise your profile and that of your organization.

Get in touch with new and existing customers. Build relationships. Develop customer insight.

Get Connected

Connect with the Decom community to network.

Develop and retain specialist knowledge. Share what works with others. Network and collaborate.

Generate Value

Discover knowledge to help you do your job.

Keep up to date with current thinking. Enhance your skills and expertise. Compare and share information and data.
